KEY FEATURES

Pocket form factor
92 x 54 x 26 mm and 118 g. A belt clip and lanyard loop are moulded into the housing, so staff carry it without noticing.

Unlimited talk range
Calls run over 4G LTE instead of UHF, so a site in Dubai and a head office in Shanghai share one talk group.

Groups and dispatch
Up to 200 talk groups, GPS reporting, voice recording on the platform and a web dispatcher console.

USB-C and dock charging
Charges from any phone charger; a 6-bay dock is available for depots and shift handovers.

Built for tenders
Firmware, boot logo, packaging and accessories can be customised from 500 pcs per SKU.

TYPICAL APPLICATIONS

Property & security patrols | Hotel & retail floor ops | Event crews | Outdoor & travel
